

## Resources for Parents, Guardians and Carers

The world of work and qualifications is an ever-evolving landscape. We are conscious of this at RWBA and want to ensure you are aware what is available for your student.

Within the Trust we jointly run a website [Ascend Learning Trust Careers](#). This site holds all our webinar recordings of interviews with training providers, people in industry, as well as careers information that could prove a useful resource.

### Labour Market Information

Labour Market Information (LMI) includes:

- information about education and training options
- employment trends
- progression routes
- career pathways and jobs

Please click on this [Labour Market Information \(LMI\) | SWLEP](#) link to find out about employment, education and training in Swindon and Wiltshire plus links to websites and resources.

### Other Useful Websites

[Talking Futures](#) - A toolkit to help you have informed and constructive conversations with your learner about the different training and education pathways

[Careerpilot](#) - Alongside lots of useful information for young people on jobs and post-16 and post-18 options, Careerpilot has a parent zone to help you support your young person in making the right decision about study and work.

[Amazing Apprenticeships](#) – Parents, guardian and carers guide to Higher Technical Qualifications.

[UCAS](#) – Parents, guardian and carers guide to applying to university, alternatives to university and apprenticeship guide.

[Work Wiltshire](#) – Information on what further education is available in Wiltshire

If there is any information you think it would be useful to add to the trust site on here, please email [lhunnex@rwba.ascendlearningtrust.org.uk](mailto:lhunnex@rwba.ascendlearningtrust.org.uk)
