

Resources for Students

At RWBA, we want to equip you to take ownership of your future career and learning journey. Alongside your Career Programme in school, please see some websites below that may help you:

Finding out about jobs

Within the Trust we jointly run a website [Ascend Learning Trust Careers](#). This site holds all our webinar recordings of interviews with training providers, people in industry, as well as careers information that could prove a useful resource.

[Careerpilot](#) – this has quizzes to help with your decision making, as well as local and national links to careers profiles, further and higher education.

[Explore Careers](#) – Find out what a job involves and if its right for you. Each job profile includes information on average salaries, how to get into the role, skills needed, progression and opportunities in the area.

[icould](#) – This site features over 100 videos of people talking about their careers. Talks include information explaining their job role, career path, and how different factors have shaped their direction.

Education and Training Choices

[Skills for Careers](#) – Information on post 16 and post 18 training options. These include Apprenticeships, T Levels, Supported Internships, Vocational Technical Qualifications (VTQs), Higher Technical Qualifications (HTQs), A levels and Higher Education.

[Not Going to Uni](#) - explore alternative options to university.

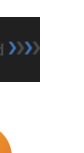

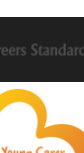

[Skills for Life](#) – this provides information about training options and career ideas.

[UCAS](#) - Information on careers, apprenticeships and university to help you explore what routes are available and which is right for you.

[Prospects](#) – Aimed at students seeking a graduate career. A great resource to help with research.

[The Scholarship Hub](#) – information about scholarships and student finance.

CEO | Jane Coley
Chair of Trust Board | Simon Williams
Together we **Belong, Believe, Become**

[Unifrog](#) – this is an award-winning online platform which helps students make informed decisions about their university choices.

[University Rankings and League Tables 2025](#) – university rankings and league tables.

[Uni Taster Days](#) – explore university tasters.

[The Student Room](#) – University: what to study, where to go and how to get there.

[Find an Apprenticeship](#) – this is the government website which allows you to search for apprenticeships they have listed.

[Amazing Apprenticeships](#) – information about apprenticeships.

[T Levels](#) - information to better understand what T Levels are.

[Higher Technical Qualifications \(HTQs\)](#) – information about HTQ (Level 4 and 5 qualifications).

Labour Market Information

Labour Market Information (LMI) includes:

- information about education and training options
- employment trends
- progression routes
- career pathways and jobs

Please click on this [Labour Market Information \(LMI\) | SWLEP](#) link to find out about employment, education and training in Swindon and Wiltshire plus links to websites and resources.

If you think there is anything you have found really useful that you think could be added to this page, please email lhunnex@rwba.ascendlearningtrust.org.uk
