

## TO WORK ON YOUR READING

Select an article which interests you, read it carefully and select at least 10 new pieces of vocabulary to look up. The choice of topic area is limitless. The temptation may be to pick an article on fashion, but you should avoid doing this every week as they are not so easy to understand. It is a good idea to vary the topic area and to choose articles related to the syllabus topics so that you encounter a variety of vocabulary.

The best place to start is the BBC's languages web-pages. Choose the "**reportajes**" link to find articles from the former "**Semanario Internet**" with a variety of reading exercises. The articles are archived into topic areas that relate to the AS and A level syllabus.

Some of them include audio clips so you can base your listening task on the same topic.
